IMP. PITTODRIE UPRIGHT

Perth Supreme Champion, 1946. Sold at the world's record price of \$63500.00. Owned by a syndicate of Ohio breeders. Sire of Lots 1, 2 and 10.

FOREWORD

It is a rare thing for a live stock organization to be in existence long enough to hold thirty-five annual sales. When this occurs it is evidence both of a strong constructive purpose and a fine spirit of cooperation. The Auglaize County Association, including breeders from adjacent counties, has maintained over the years a fine tradition of high standards and fair dealing. Its annual sale is regarded nationally as a never-failing source of quality Shorthorns. This sale has become an institution, and as such, is the lengthened shadow of Mr. W. H. Steva, under whose able management thirty-two of these renewals have been held.

The development of Shorthorns in this district is largely a story of good bulls which were fortunate enough to fall into the hands of good men. The pedigrees and the individuality of the animals in this sale reflect the influence of such nationally-recognized sires as Browndale Commander, Browndale Stamp, Taana Goldspur, Broadhooks Leader, Conner's Keystone Ransom and Golden Oak Prince Peter. These have passed from the scene but their influence continues. Their ranks have been filled and further progress assured by such noted bulls as Bra-with Lawton, Glastullich Eagle, Short Acres Dunrel, Crichton Omaha, Aldsworth Passenger and others. For the past three years the world-famous Pittodrie Upright has been at home in this district. So strong is his influence that when the history of this period is finally written, he will be rated as one of the landmark sires of the breed.

Three times in the past five years bulls from this district have won the grand championship at the Ohio State Fair against national competition. Strong herds are founded upon and improved with successful bloodlines. This improving inheritance is wrapped up in the excellent lot of cattle we are submitting for your appraisal on April 23rd.

We cordially invite you to be with us.

OHIO SHORTHORN BREEDERS' ASSOCIATION

LOCATION—The Show and Sale will be held at the Auglaize County Fairgrounds, Wapakoneta, Ohio.

TERMS—Terms of the sale are cash unless other arrangements are made with the consignor from whom the cattle are purchased before the sale commences and the sale manager is notified of the arrangements. ROTHES UPRIGHT—Our reasons for selling this good bull are, first, we have his dam and eight heifers in the herd sired by Pittodrie Upright; second, we have three bull calves by Upright, one almost ready for service. Anyone looking for a tried sire of this popular line of breeding will find this bull one of the best sons of the great Perth champion. We now have four calves sired by him and our entire cow herd bred to him. Come to our farms and see these good, low-set, solid-colored calves, and you will realize that here is an unusual opportunity to buy a real sire.
